BE PART OF SOMETHING BIGGER.

We have a responsibility to take care of each other, our community, and our planet. Our SBH Going Green initiatives focus on improving our long-term sustainability and reducing our environmental impact.

Our SBH Inspires Foundation is committed to uplifting and providing support for the communities we serve. We focus on standing up to domestic violence and abuse by providing support to victims and their loved ones. Since salons are often a place of refuge for victims, and our stores can serve as a source of information, SBH is uniquely positioned to connect victims with immediate and ongoing help through our nonprofit partners.
